

Home-Start North Dorset is an independent registered charity that supports struggling families living in the North Dorset District Council area and where there is at least one child under five.

Family life can be hard and challenging for many parents. Loneliness, relationship breakdown, bereavement, physical and mental illness or even multiple births can have a profound effect on families.

With your help, Home-Start North Dorset can be there to help parents cope, to help them towards independence and a better future.

Home-Start North Dorset depends heavily on donations from companies, charitable trusts and people like you to fund our work with parents and children.

Everyone needs help at some time in their life... so please, help us to make a difference to a child's life today by becoming a Friend of Home-Start North Dorset.
